Allen,  
 Four more days  
 and the class of '61 will be  
 a thing of the past. You are really going  
 to have to try to keep up with it.  
 Really you all should have one  
 minute of it.  
 You enjoyed your friendship  
 and the things you did together  
 since our basketball game.  
 I'll never forget some of the same  
 stuff since you deserve the best.  
 Ellen. Don't miss the same stuff  
 since you deserve the best.  
 I'll never forget some of the same  
 stuff since you deserve the best.  
 You are a wonderful gal.  
 Be Good and I wish  
 you only what you deserve the best.  
 Always -  
 Nan.

## foreword . . .

The "School on the Hill" will remain  
 a lasting memory for the many students  
 who pass through its doorways.  
 During the years we spend in our high school,  
 many occasions bring us special happiness.  
 This year we have endeavored to present the Spur  
 as a pictorial memorandum of the past year  
 at El Paso High School—classes, clubs, customs,  
 and those special moments that will fix  
 themselves in our library of recollection.

MISS LUCIA HUTCHINS

Best wishes  
to Ellen + good  
luck on next year's  
annual.

Lucia Hutchins

"A teacher affects eternity; she can never  
tell where her influence stops."

*The Education of Henry Adams*

The 1961 Spur is dedicated to one who has devoted a great part of her life to the guidance of El Paso High Tigers. Her understanding manner, her keen insight, her appreciation of those things which are good and true, and her ability to inspire others to search for the best within themselves have been a stepping stone to success for many of her students.

It is with sincere appreciation that we thank you, Miss Lucia Hutchins, for your attitude that is symbolic of the true Tiger Spirit!

A large, multi-story, classical-style building with many windows and columns, likely a government or institutional structure. The building is constructed from light-colored stone or concrete and features a prominent cornice and a series of columns along its facade. It is situated on a grassy hillside under a clear blue sky.

Dear Ellen,

5/16/61

I have always considered  
you a good friend of mine. You're  
really a sweet & lovely girl &  
I know you have many friends.  
I have really enjoyed this year  
with you & the gang & I hope,  
sincerely, that we can always  
be the best of friends. Please  
wishing you all the luck in  
the world.

Love ya,  
Maite  
'62'

Ellen,

It sure has been a great year who's not  
nine months.

I can remember why back in grade school  
when we were little brats how good of buddies /  
we were. You still are a brat (only joking). I remember  
about a month or two ago you told me that you  
used to be scared of me in grade school, but now  
you are not afraid of me Bay! I think that is an  
accomplishment.

Remember all the parties (B.A. parties) we've  
had this year & they sure have been blasts. I sure  
think this summer in Oloodcroft we can  
really have a blast. We can even go water-skiing.  
Sometimes the B.A.'s get a little out of  
order but you have to expect that once in  
a while, but you get more out of B.A. than  
it's worth.

It sure has been great knowing you this  
year Ellen & I'm sure we will continue to  
be good friends & even better friends in  
the future.

From your B.A. buddy to my  
B.A. ett buddy

#### TIGERS SMASH BEARS 38-0

A great defense and a great running game paced by fleet Bobby Maddox, powered the Tigers to a 38-0 win over hapless Bowie. Sam Herrod led the attack by scoring from the thirty-four and the 8 yard line. Maddox hit Charley Arriaga with a scoring pass that covered 45 yards late in the first period. ## Recipient of Ralph Marmolejo Award

BOBBY MADDOX

This football award is presented to one outstanding football player each year in memory of Mr. Ralph Marmolejo. Mr. Marmolejo was a detective with the city of El Paso, and killed in the line of duty. In 1940, he was a star football player at El Paso High School. To commemorate Mr. Marmolejo's highly admired traits, his teammates have made this an annual award, dedicated to his memory.

Bobby Maddox, selected as the recipient of the Ralph Marmolejo award this year, is the football player most nearly exemplifying the outstanding traits possessed by Ralph Marmolejo. These are the qualities upon which Bobby was judged by his teammates and coaches, and selected to be the recipient of this award: He is a team player above all—always putting the good of the team and the other players above his own personal desires. His hustle and spirit are an inspiration to all who knew him.

He is a magnificent competitor. The will to win must be a dominant part of his character. This is not a desire "to win at all cost"; rather it is the determination always to do his best according to the rules and to come out on top in any contest.

His personal and moral code is of the highest quality. He is a person respected by his friends and teammates, feared by his opponents, trusted by his coaches and supervisors.

His athletic abilities are exceptional; perhaps he is not the finest player or one gifted with the most natural ability; but he is one who would be selected first as a teammate.

Bobby's selection as one of the football captains for the team this year is an example of his leadership among his teammates. A great spirit and the deep desire to win were visible in all his actions on the field. Bobby is truly deserving of this high honor.

# ROTC INSTRUCTORS

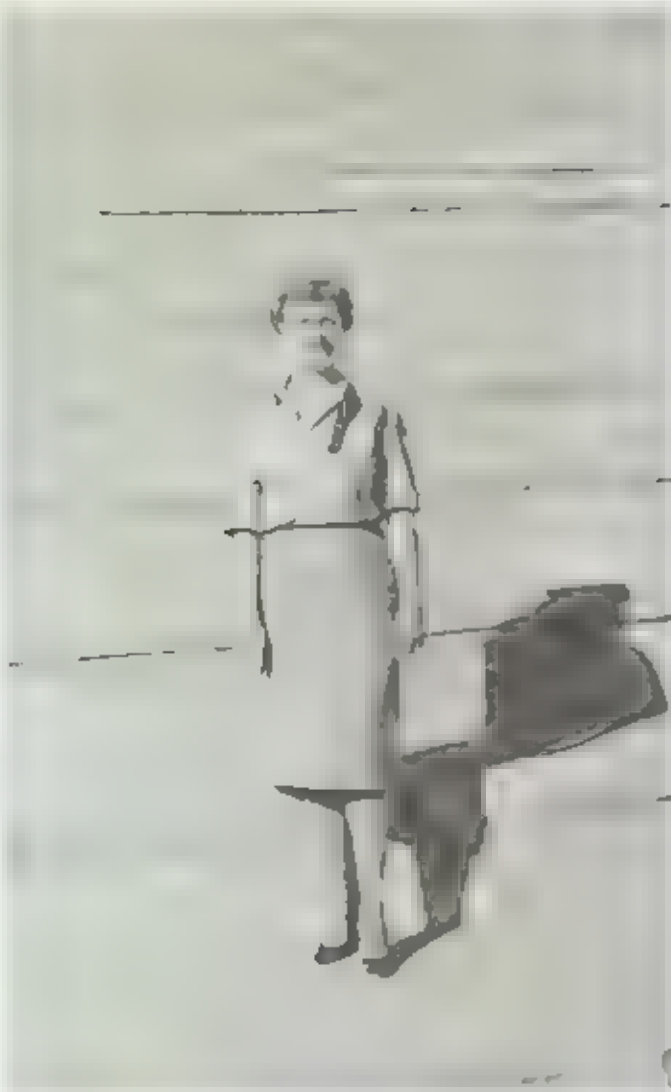

The ROTC unit was established at El Paso High School in 1920. This was the first unit established in Texas.

For eight and one half years El Paso High was the only school in which the ROTC unit was established. In 1928, ROTC was established in Stephen F. Austin High School.

Realizing the growing value and importance of the Corps of Cadets, the Board of Education, in 1933, granted the Corps a Charter.

The ROTC Department at El Paso High School is under the supervision of Sgt. Starkea and Sgt. Woodruff. Mrs. Squires is the sponsor of the girls ROTC Sponsor Corps, which is an honorary organization. In May, Junior girls submit pictures and lists of activities. After a week, all ROTC cadets vote on 34 girls who become Sponsors in their Senior year. The girls vote for their colonel, while the remaining Sponsors are ranked according to ability.

The cadet officers are selected in May. There is OCS (Officers Candidate School) which runs for four weeks. During this period, the candidates take tests. The officers are then chosen and ranked according to test scores, drill activities and ability.

# FUTURE HOMEMAKERS OF AMERICA

Mrs. Ione Stroud, pictured above has been head of the Homemaking Department and sponsor for the Future Homemakers Chapter for the past two years. Here she is shown giving instruction in the field of clothing to Candi Laymon.

The Future Homemakers is an incorporated, non-profit youth organization for junior and senior high schools throughout the nation, its territories and Japan. The total number of members is 485,070 in the nation with 55,845 belonging to Texas.

Meetings on all levels are held to familiarize young homemakers with the F. H. A. purposes, projects and homemaking program. The girls learn to develop their potential abilities, understand their family members, emphasize home membership, encourage democracy in the home, promote creative leadership, provide wholesome recreation, interpret the values of homemaking to others, and promote international good will.

Becky Prather has worked for five years with the Future Homemakers and Homemaking Program on the chapter, district, area, state and national levels. She climaxed her work this year by holding the office of Texas 2nd Vice President; attending her 2nd national convention in Washington, D. C.; and receiving the Texas State Homemaker Degree, and State Fair of Texas Honor Award.

Lorann Maya won first place in the Holiday Belle Contest. The Holiday she portrayed was "Arbor Day".

Our first place winner watches as Robert Prather makes a toast to Arbor Day.

*"Who's this ugly girl?"*

Kika Gritti, our Foreign Student from Italy, was the second place winner in this contest. She chose "Mothers Day" as the theme for her skit.

## HOLIDAY BELLE WINNERS

The Holiday Belle Contest, which is held each year, is sponsored by the Distributive Education Department. Any club in the school is entitled to participate in this contest. The five clubs that submit the best original skits present their skit to the Student Body. The judges then select a first, second, and third place winner from the five skits. The skits must depict a holiday.

Ginger Bradford placed third with her skit about Halloween. Ginger was one of the prettiest witches Halloween has ever known.

Here's Ginger brewing a pot full of magic for Halloween—magic enough to win her a well deserved third place.

Practicing to Journalism. Kika hopes to become a journalist.

Maria Grifta known to EPHS as Kika Grifti, came to the U.S.A. through the American Field Service (A.F.S.), a nonprofit organization with headquarters in New York City whose founder and leader is a Mr. Gollatte. It is one of many similar organizations, whose object is to promote world understanding through exchanging students of foreign countries with those of the United States.

There are exchange programs with Europe, South America, and the Far and Middle East.

Kika entered into competition with other students at her school in Italy. She was required to write themes, take tests, and prove to be an all around person, for only the most intelligent students are sent on Foreign Exchange students.

El Paso High School had sent the money to A.F.S., which paid for Kika's voyage from Rotterdam on the M/S Seven Seas, a liner chartered by the organization. After her year at El Paso High she will go on a tour of the United States and then return home. We will be sad to see Kika leave.

Mr. Spindler often helps Kika with her daily activities at El Paso High.

She reads all the latest news in The Times.

Kika is interested in American politics and looks forward to President Kennedy's administration.

Joining with the other Tigers, Kika supports her team.

Mrs. Callery and one of her students checking on one of the deadlines for the Spur.

Mrs. Sunshine Callery. Spur and Tatler Sponsor.

On behalf of the 1961 Spur Staff, we would like to thank the following who contributed so much to this year's annual:

Mr. Lyman Dutton, of Guynes Printing Co., who has assisted us in making this year's Spur the best yet.

Mrs. Jennings of the Popular Dry Goods Photograph Studio, Mr. Gonzalez of Achilles Photo Studio, Canales Studio and Andow Studio for the excellent pictures they took for us.

The El Paso Times and Herald-Post for sports pictures.

The El Paso businessmen who advertised in the 1961 Spur.

Mrs. Mischen and Miss Armes of the El Paso High English Department for assisting us with our writeups for some pictures.

We also want to thank our principal, Mr. H. C. Morehead, and our assistant principal, Mr. J. H. Estes, the faculty, and the students of El Paso High. Without their help and understanding, this task would have been an impossible one.

Our special thanks go to Bob Sheppard, a D. E. student in our school, who has been responsible for many of the pictures in this year's annual.

We would like to apologize to the newly elected members of the Junior National Honor Society for not including their names in the Index. The deadline arrived before the selection of the members.

Mr. Lewis Thompson, President of the El Paso High School PTA this year was the guest speaker at one of our football assemblies. He has worked in close relationship with the students and faculty and is responsible for the microphone system now in use at the football games.

Each year our PTA presents awards to outstanding students in all departments. They also award scholarships to TWC to three outstanding Seniors.

Below is a list of those students receiving awards in the spring of 1960.

(Revised)

Dear Ellen-

Well now that the time has come - I really don't know how to start. More than anything - I don't want of this to sound like everything else in your Spur.

You have been a wonderful friend, Ellen, and I can't tell you how much I really appreciate it. In so many ways it has been a long year and we have had far too many quarrels. But thank goodness we have always managed to patch them up and come out better friends in the end.

As I think back on all the good times we have had the ones that come to my mind first are those two weeks in Cloudcroft. I can't tell you how much fun I had and how I looking forward to it this year.

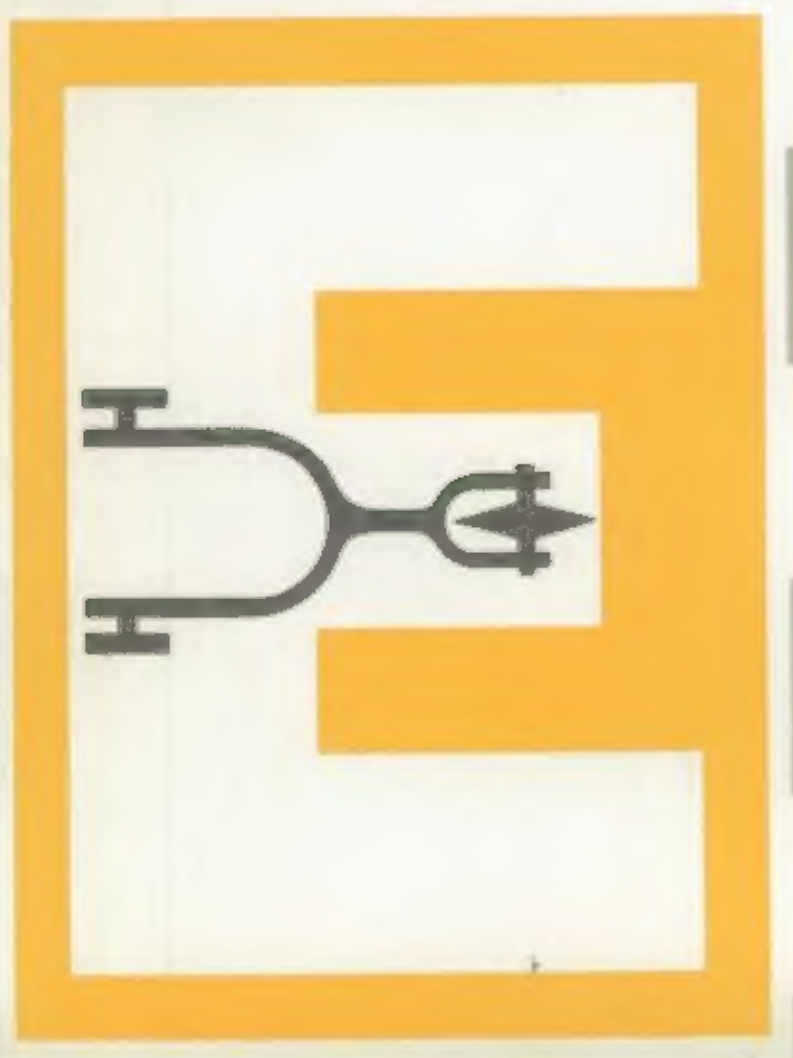

Then there were those nights that we hauled with your Dante + friend. Good times - all of them!!!

One thing that I have really admired about you Kaku is your ability to cheer me up whenever I am feeling low. (Maybe it is just because I am so good natured) Remember the night after my Dante told me where to get off? After I left your house - I was my same old wonderful self again.

But seriously - you have been a wonderful friend and I want you to remember always what I told you that

Reserved

Ellen,

I sure wish we sat closer  
in Chemistry so we could  
have gotten to know each  
other better. Maybe we get to  
know each other better someday.

Larry
